

Playhouse 1960 Young Actors Stage Presents:

Audition Notice

The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm and elegance. Originally presented on television in 1957 starring Julie Andrews, *Rodgers & Hammerstein's Cinderella* was the most widely viewed program in the history of the medium. Its recreation in 1965 starring Lesley Ann Warren was no less successful in transporting a new generation to the miraculous kingdom of dreams-come-true, and so was a second remake in 1997, which starred Brandy as Cinderella and Whitney Houston as her Fairy Godmother. As adapted for the stage, with great warmth and more than a touch of hilarity, this enthralling fairy tale still warms the hearts of children and adults alike.
