Notes

In June we are opposite summer camps. Some days the rehearse until 7:00. We can get into the theatre by 7:15 at the latest. I want to start rehearsal promptly at 7:30.

All Actors need to be at set calls. We are an all-volunteer theatre and we all have to pitch in to get things done.

Strike will be held after the performance on July 31. Everyone needs to stay for that.
