Playhouse 1960 is a community theatre surviving on all of our volunteers.

Cast members will need to provide their own costumes under the supervision of the Costume Designer. All cast members are expected to work on the building and painting of the set. You will receive 2 complimentary tickets if you have completed 8 hours toward the set build. Strike will be held following the final performance on September 17. Everyone is expected to help so that we can hand the theatre over to the next show in.

All actors are expected to conduct themselves in a professional and respectful manner. Arriving on time to rehearsal. Meeting deadlines for line memorization. Treating everyone involved in a respectful manner. Anyone not following these guidelines may be asked to leave the company. Playhouse 1960 is a safe place for all and we want to keep it that way.
