

# Playhouse 1960 Covid-19 Protocol Agreement

I, \_\_\_\_\_ (parent name) and \_\_\_\_\_ (cast member name) both understand and agree that we will comply with all the following Covid-19 protocols for all rehearsals and shows throughout the entire production at Playhouse 1960.

\_\_\_\_\_ 1. If I or a household member has had a known exposure to Covid-19, I will notify the director and not attend rehearsals/shows until I have met current CDC quarantine guidelines. If I test positive for Covid-19, I will notify the director and not attend rehearsals or shows until I have met current CDC isolation guidelines.

\_\_\_\_\_ 2. I will wear a mask, that follows current CDC guidelines, at all times at rehearsals and shows. My mask must completely cover my nose and mouth, be made from materials that are at least 2 layers thick, are not made from loosely knit together fabric or mesh type fabric, is well-fitted around all 4 sides of the mask (no gaping around cheeks, nose, or chin), is NOT a gaiter or other single-layer fabric that loosely fits around chin, and does NOT have any type of valve or vents. Non-medical surgical-style masks or homemade masks made from 2 or more layers of cotton fabric are ideal.

\_\_\_\_\_ 3. I will not gather in lobby/foyer/backstage/dressing rooms during, before, or after rehearsals. Ideally, everyone should be masked and maintaining a 6-ft distance from anyone not from the same household at all times.

\_\_\_\_\_ 4. Food should not be consumed at rehearsals, please eat before arriving. Masks may not be removed to eat during rehearsals. When drinking water, please be sure you are 6ft from others, remove your mask, drink the water, and place your mask back on. Do not walk around maskless while slowly drinking water. If you want to step out onto the front porch for a longer water break (or you need a break from your mask), you can remove your mask once you are outside, but you still need to remain 6 feet from others while doing so.

\_\_\_\_\_ 5. When blocking or rehearsing music, I will remain where I was assigned to sit and not relocate until instructed to do so. This will help all cast members to remain 6 ft from others during rehearsals.

\_\_\_\_\_ 6. Parents, siblings, or other non-cast/crew are not allowed to attend rehearsals. When we have set build/paint days for parents, the work will be done outdoors in the parking lot to give plenty of space. If weather does not permit outdoor set build days, we will limit the number of volunteers to allow for 6ft distance between work stations. Cast members should be dropped off and picked up from the front door area. Questions for the directing team should be sent via email or Facebook messenger to limit interactions before and after every rehearsal between parents and the directing team.

\_\_\_\_\_ 7. Throughout rehearsals, anytime I remove/re-apply my mask to drink water, or I use the restroom facilities, I will thoroughly wash my hands or use the provided hand sanitizer. Hand sanitizing stations are found throughout the theatre and sinks/soap are located in all 3 restrooms.

\_\_\_\_\_ 8. I understand that my guests must wear a mask at all times when attending performances. Any guest not wearing a mask, or removing it during the show, will be asked to leave the performance. Tickets will not be refunded to a guest removed due to refusal to follow mask guidelines.

\_\_\_\_\_ 9. I understand that if I am found not following any of the above Covid-19 protocols, I will be given one warning, but upon the second offense, I will be sent home from rehearsal. After being sent home from one rehearsal, if I am found not following another protocol, I will be removed from the production. Cast members removed for not following Covid-19 protocols will not be refunded production fees.
